- This is a mandatory condition and players should ascertain that they are equipped with the required paraphernalia before entering the event.

- Audio and Video will need to be enabled and kept on throughout the play period. Please ensure you have a good and stable internet connection with sufficient data, and preferably a backup.

- RB logins are "Case Sensitive". If, in any Pairs event, a login id is assigned to the player, then s/he has to use the EXACT id with SPELLING and PUNCTUATION for all sessions and stages of the event.
- This is a **Category 2 event and the use of HUM systems and Brown Sticker conventions are totally prohibited in them. Also, Psychic Artificial bids are prohibited at all stages**

## Laws & Policy

The event will be conducted as per **WBF – 2017 Laws of Duplicate Bridge** and will follow **BFI System and alert policy**. In addition we'll be following EBU Sky Blue Book 2021 (<https://www.ebu.co.uk/documents/laws-and-ethics/skyblue-book.pdf>) for guidelines for online environment. All participants are requested to make themselves familiar with the governing laws and policies

## Alerts & Explanation for RealBridge (Screens in Use)

- An Artificial Call has to be ALERTED & EXPLAINED in writing **by the player himself** AT THE TIME OF MAKING THE CALL. Later explanations are also possible, but it's advisable to provide complete explanation at the time of making the Call.
- The space for the Written Explanation is towards the bottom of the Bidding Box at the time of making the Call.
- Delayed explanations may cause MI situations when the opponents make a Call before the explanation is provided.
- The other side would be entitled to redressal of damage, if any, due to MI arising from a delayed explanation.
- Alerts of Calls are visible to both opponents, but not visible to Partner.
- One needs to click on the Alerted Call to get the Written Explanation, if any.
- Players should also verbally Alert and Explain to their screen-mates the meanings of ONLY their own Artificial Calls.
- During the Auction and Play, a Player can always ask for and provide Explanations to one's screen-mate, BUT only about the screen-mates' CALLS. For information about the other opponent's Calls, s/he has to ask the other opponent in written **private** chat.
- General information like Bidding system, Conventions employed, Leads, carding etc MUST be obtained from one's own screen-mate
- **A Player CANNOT ask both opponents about the same Call.**
- Please understand that you are entitled to the opponents' agreement, not their hand. So, if you are told no agreement, and you have a reason to believe that agreement may exist, call the director.
- **Do not ask questions like "what did you mean by the bid".**
- Refrain from writing on Table Chat during Auction & Play as the Chat is visible to the full table including the other side of the Screen.

**The only time you MUST use table chat is when you want an UNDO in a Pass-out and lead situation.**

- A brief of your system & carding methods should be given in the comment box to your opponents before start of play on the online platform.

## Undo, Director Calls

- **Undos are available for genuine misclicks, not for change of mind.**
- **Undos will not be allowed for play.**
- Players should endeavour to request an undo at the earliest possible. At the very least they should inform
- their screen mate verbally and/or type undo or stop in play area, if they are not sure where undo button is located.
- All players are seriously advised to make themselves thoroughly familiar with playing environment before the tournament commences. Whenever an undo is requested, a director

must be called. Undos must be given only on director's assent.

- When an Undo is given without a director's assent, both parties lose the right of adjustment, appeal, or UI based on UNDO. Even if director allows an undo, there may be implications related to UI because of the bid taken back.
- **NO UNDO will be allowed after an opening lead is made and the dummy is visible**
- Please note that a bid that is allowed to be undone is unauthorized information to the partner of offender but authorized information to opponents.

## Review Requests

- Before giving a ruling, the directors consult each other, the reviewer, and if needed other senior players.
- So please ask for a review only and only if you believe certain facts didn't come to director's notice, or a law has been applied incorrectly.
- All review requests will attract a fee (Rs. 1000), which will be refunded unless the review request is found to be baseless and/or frivolous. The reviewer's decision is final and binding. There will be no further appeal against reviewer's decision
